Stu;

I want to take this opportunity to communicate my high regard for the EntrePlan Business Plan course. The class was excellent—very informative. I personally learned a great deal.

I would also like to share my appreciation with you for the instructor, Fred Esposito. The extra time, care and effort he extended to me and others during our EntrePlan Business Plan Workshop was remarkable. It is one thing for an instructor to teach and guide their adult students; it's quite another for an instructor to truly take the time to teach, mentor, encourage, and motivate!

Fred made everyone in our class feel that he truly cared about them and the success of their business venture. We all walked away from the EntrePlan experience knowing that we had a true friend on our side—one that we could feel comfortable reaching out to for help when needed.

Fred's kindness and knowledge will not be forgotten.

Thank you for the enlightening experience.

Respectfully,

Mary E. Archer
